The closing exercises of the School for Girls were held last evening at the home of the principal. In spite of the inclement weather, the parlors were filled with the friends and relatives of the pupils, who listened with keen attention to the interesting programme.

After a concert and the award of prizes and distinctions, a little play, written for the occasion, was given by the youngest pupils, in which each child represented some revolutionary heroine or hero. At the close a minuet was danced with old-time staidness, and in their quaint and beautiful costumes the children were lovely miniatures of the past. For the best drawings reward cards were presented to Misses Katharine Bitzer and Mamie Brown, and prizes were awarded for best lessons during the entire session to Miss Leslie Baggett, and to Miss Lillian Darley for good lessons. For best lessons in arithmetic a prize was awarded to Miss Daisy Howell, and for good behavior and regular attendance one was also awarded to Miss Ruth Grillbortzer.

In the musical department a prize was given to little Robert Bitzer for his diligence and improvement. The "sunshine prize" for this session was awarded to Miss Ethel Eugenia Lamond. Gold medals were received for improvement in her studies by Miss May Bruin and in music by Miss Nina Tanner. The awards were happily made by Rev. W. J. Morton.

Arguments heard.

Arguments on the petition of Commonwealth's Attorney Crandall Mackey, of the county, for dismissal of the temporary writ of prohibition recently granted by Judge C. E. Nicol, of the Circuit Court, restraining Magistrate J. R. Hagan from trying the St. Asaph poolroom cases, were heard by Judge Nicol in chambers, in this city, this afternoon. The arguments began at 2 o'clock. Mr. Mackey appeared for the Commonwealth and Col. F. L. Smith and Messrs. Edmund Burke and C. C. Carlin for J. Marriott Hill and the others who are charged with conducting a poolroom and bookmaking establishment at St. Asaph.

Arguments were heard, an objection having been made to Mr. Mackey's notice, the court sustained the objection and the case went over until the next term of the court.

The Cool Wave.

The cool wave which struck this section Thursday was in evidence last night, when heavy clothing and fires were again brought into requisition. There had been a drop of about 40° in the temperature since Monday. The weather today has been fair, but the air is still unseasonably cool. People from parts of Alexandria and Fairfax counties who attended market this morning say the storm of Thursday evening was very severe. According to some, St. Patrick's Day conditions prevailed, as there were rain, hail, snow, thunder and lightning. Hail stones fell thick and fast in some localities. Chickens were killed and growing crops were greatly damaged.

Row With Darkeys.

A well-known farmer living in Maryland, opposite this city, came here a day or two ago and employed a number of colored people as peapickers. He purchased a gallon of whisky and after directing the darkeys as to the nature of the work, left them and went to a store on the top of the hill. When he returned he found the jug empty and the negroes in no humor for work. A row followed between the farmer and the peapickers, in which stones played a prominent part. No one was seriously hurt, and the darkeys entered a boat and left for this city.

Worst of all Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years," she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by Dr. S. Lealbeater & Sons, druggists.

Struck by a Train.

Albino George, an Italian laborer thirty-five years old, passed through this city on his way to Washington yesterday from Occoquan, and was placed in the Emergency Hospital. He was suffering from a fracture of the skull, and from the position in which he was found alongside the tracks of the R. F. & P. Railroad, near Occoquan, it was believed he had been struck by a train. His condition is critical.

Charged with Lunacy.

George Robinson, of Fairfax county, was found wandering about Washington early yesterday morning and was arrested after he had made several incoherent statements about trying to escape from the men who murdered his brother. He was examined later yesterday by the police surgeons. They found him to be of unsound mind, and on their order he was sent to St. Elizabeth's Asylum.

The Market.

There was a fair attendance of country people in market this morning and an average display of produce. Prices were at previous figures. Some fine strawberries were exhibited, as well as cherries and gooseberries. The variety of summer vegetables was extensive. There was an abundance of fine salt water fish on the benches.

Many Ills.

The Southern negroes camped at Clifton have had nearly every ailment that is allotted to man, except mumps, which disease they now have in as bad form as has ever been seen in this place since the war.—Fairfax Herald. [These men are at work on the Southern Railway improvements.]
